SWEET SHOP USA®
HANDMADE CHOCOLATES

*Welcome to
Sweet Shop USA® ...*

where every gourmet chocolate is handcrafted by skilled artisans and considered a masterpiece... a delight for the eyes as well as the palate. We begin by simmering select natural ingredients in large copper kettles... fresh whipping cream, pure butter and the finest quality chocolate. Each decadent Grand Truffle center is hand-rolled and twice-dipped in chocolate, then "autographed" for that personal touch. Our signature Fudge Love®, Famous Brags® and traditional pieces receive the same attention to detail. The final creations are carefully inspected by hand before we present them to you, our valued customer. We hope you enjoy!

Handmade chocolates have centers that are blended fresh in small batches before dipping.

Sweet Shop USA® truffles are patiently rolled by hand, imparting a unique character and delicate texture.

Every handmade chocolate is hand-dipped to ensure complete coverage, a deep luster and a unique appearance.

Personal gifts demand a personal touch! We hand-sign each truffle as a personal pledge of our dedication to your complete satisfaction.

Details such as "handstringing" very fine designs on our chocolates produce delicious, eye catching creations. It takes skilled human hands to produce these unique patterns.

Time and patience are required to put the right amount of chocolate on every piece.
